TutorUP : A Peer-to-Peer Tutoring Platform for University Students

ISE402-CSE344
INTERDISCIPLINARY PROJECT
Yeditepe University Faculty of Engineering
Begüm Dobrucalı, Ezgi Denizer, Ali Ozan Ocak, Emrecan Bozkurt, Muharrem Efe Başbayram, Alper Özdemir, Arda Egemen İpek, Furkan Uysal

WHY TutorUP?

Struggling with tough courses? Can't find help that actually understands your syllabus?
TutorUP connects you with experienced upperclassmen from your own university the ones who've been there, aced that.

Affordable
Targeted
Safe

Everything today's student needs in a tutoring platform from students, for students.

How It Works?

1. Sign Up using your university email

2. Find your match, filter by subject, rating, price

3. Book sessions that fit your schedule

4. Message your tutor, share materials, and track feedback

What You'll Love?

One-on-one tutoring with proven peers
Transparent ratings and reviews
No overpriced sessions – tutors set fair prices
Mobile-friendly, real-time notifications
Cancel, reschedule, message all in one place

TutorUP isn't just another tutoring app. It's a campus-powered community where knowledge flows peer-to-peer, experience meets curiosity, and success is shared.
Join the smart way to study.
